

Albert's Garden, Inc.
 16 East 2nd Street
 New York, New York 10003
www.albertsgarden.org

Please help your local community garden sustain its vision to offer nature, peace, and serenity to our East Village neighborhood.

Spring–Summer, 2019

Dear Neighbor,

We invite you to become a **yearly sponsor of Albert's Garden**, a popular community landmark on East 2nd Street between Second Avenue and the Bowery in Manhattan. Lovingly called a “shade and serenity” garden, Albert's beckons passersby, local residents, and tourists alike to enjoy greenery and peace – much needed in our busy urban lives and overwhelmingly appreciated when found.

We know you would like to help make sure that hundreds of visitors a year from near and far continue to drop by Albert's Garden. Under its mature tree canopy, one can sit by its goldfish pond, walk meandering paths, meditate and daydream, or relax on well-placed rustic benches while reflecting and rejoicing upon a variety of birds and plants. Open to all are our seasonal cultural events, such as a Solstice Celebration, jazz and other music concerts, poetry readings, and our annual Fall Halloween Party.

Your continued support of Albert's, a gem of nature and restfulness, is the essence of giving back, this time giving financial support so that beauty, serene enjoyment, and open space like Albert's Garden remain in the East Village community where you and/or those you know may live, work, shop, and celebrate.

To learn about Albert's captivating history, to see gallery-quality photographs of our seasonal beauty, and to find the hours when our gate is open (May - October), please visit **www.albertsgarden.org**.

Over its nearly 50 years, Albert's has been managed and maintained entirely by a small but loyal and hard-working group of volunteers. We depend on donors to help meet our expenses (mainly bills for water, plant replacement, fish care, and general maintenance). **For an annual donation, your personal and/or business name will be listed on the Sponsor page of our website, and you will be invited to all of our events. If you become a patron, you may propose a private event, subject to Albert's Garden approval.**

We count on you to help!

Albert's is incorporated as a not-for-profit 501(c)(3) registered with the New York State Charities Bureau. Your donation is tax deductible!

YES, I want to help Albert's Garden sustain the experience of nature, beauty, and open space in our local community. Enclosed is my tax-deductible check for:

Patron \$1000 Donor \$250 Community Supporter \$50 Seedling \$10
