Please help your local community garden to sustain its vision to offer nature, peace, and serenity in the East Village.

Dear Neighbor,

Spring 2021

## Albert's Garden Needs You!

Albert's Garden, a popular community landmark in the East Village, needs your help more than ever. As we celebrate the fifty year anniversary of our founding, we are also facing overwhelming expenses. Three of our largest trees (each about 50+ feet tall), two Locusts and our majestic Eastern Redbud (object of many photographs), require a professional tree service to prune their upper story branches. In addition, our central seating area has deteriorated and our brick paths need repair. Tending to these needs is essential to ensure safety and comfort for visitors and gardeners alike.

Any contribution you can make will help ensure that Albert's Garden remains open, secure, and as lovely and peaceful as always for hundreds of yearly guests from near and far. With your help, people can continue to safely visit our shaded oasis, enjoy our goldfish pond, walk meandering paths, meditate and daydream, or relax on well-placed benches while observing a variety of birds and plants. Necessary repairs and pruning will allow Albert's Garden to continue hosting more cultural events, such as live music concerts, poetry readings, and holiday celebrations.

For fifty years, Albert's Garden has been managed and maintained by a small group of dedicated volunteers. We depend on our donors to help meet our increasing expenses. With your generous support, we hope we can continue to provide a green community oasis on East 2nd Street for another fifty years.
